## DAY 1: Welcome to my blog! It's in English!!

POSTED ON APRIL 6TH BY ANNALISA

Hello! I'm an Italian student. I'm in Notting Hill, London, England! I'm here to learn English.

My English family are the Wilsons. Peter (the husband) and Helen (the wife) have three children: Edward, 16, Rick, 19, and Rosie, 23. Rosie's married. They're very friendly, but they speak very fast! It's difficult to understand them.

## DAY 3: My first day at school!

POSTED ON APRIL 8TH BY ANNALISA

Today is my first English class at St Martin's College. It's a big school in the centre – in Covent Garden. It's near a lot of shops, cafés, and theatres. It's great! My class is very international! The students are from Mexico, Japan, Egypt, Spain, Hungary, and Switzerland. Our teacher's name is Charlotte. She's very young and she's very nice. I really like her. She's a good teacher.

## DAY 10: I love London!!

POSTED ON APRIL 15TH BY ANNALISA

Hello again! It's great here. I love London! It's big, but interesting. I like shopping, but it's very expensive. I go to the parks. They are really beautiful. And I go to museums and galleries. The National Gallery is free! I go by bus or by Underground – it's very easy.

The weather's OK, cold but sunny. The food is OK, too! And the coffee is great! There are a lot of Italian coffee bars in London! Check out my photos!

# MY PERFECT

## Jamie Cullum

Song-writer and jazz pianist Jamie Cullum lives in London with his wife Sophie Dahl, the model and cookery writer. He enjoys going to markets, French films, and playing cards at weekends.

JAMIE SAYS, 'In my work I travel a lot and I stay in different hotels, so my perfect weekend is at home with my family and friends. I live in a flat in north-west London next to my brother, Ben, and at weekends I like being with him and my wife, Sophie. On Friday nights, we often go to a club – we all love dancing.'

On Saturdays, we get up late and I make breakfast; that's important to me. Then I sit at my piano – it's in my kitchen – and I play for a couple of hours. I don't write songs, I just play. My cat, Luna, listens. Sometimes in the afternoon we go shopping in Portobello Market. I love old things. I have black leather cowboy boots from there. Also, I look for old postcards – I like reading about people from the past. In the evening, we often watch a French or Japanese film – I enjoy foreign films.

After that I like playing cards – poker – with friends, sometimes until early Sunday morning. We sleep late on Sundays, but then I like cooking Sunday dinner, usually roast chicken. I really enjoy cooking. In the evening I call my parents and my nan – they like hearing about my week.'

# WEEKEND

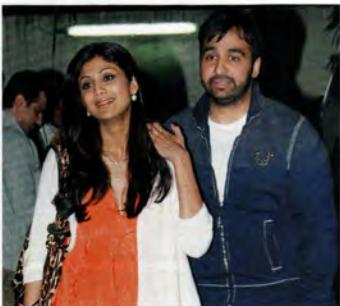

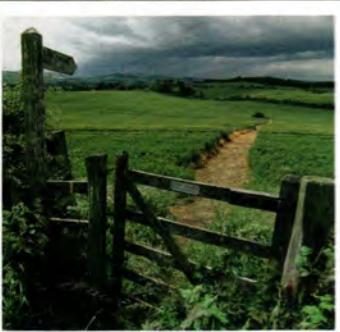

## Shilpa Shetty

Indian film actress and model Shilpa Shetty has homes in Mumbai and England. She enjoys takeaway pizza, going to garden centres, and playing cards at weekends.

SHILPA SAYS, 'Here in England my perfect weekend begins at my home in the countryside with my husband Raj Kundra. On Fridays, we usually watch TV, but sometimes friends or family come to play cards – poker. I love poker. We get a takeaway pizza – pizza goes best with playing cards – and I drink green tea. I love green tea.'

On Saturdays, I get up late, at about 10.45, and then I have a long bath. Sometimes I watch TV in the bath or listen to music. I like staying in the country at weekends – I love walking barefoot on the grass. We go to a pub for lunch – I like the puddings, especially sticky toffee pudding. I prefer to have Saturday evening at home. We like watching cookery programmes; Jamie Oliver is my favourite. I like cooking Indian food, but not at weekends.

On Sundays, I love shopping and gardening. I always buy my clothes from small boutiques, and I love visiting garden centres. I love flowers. My homes in Mumbai and England are always full of beautiful white lilies. I don't cook on Sunday, we prefer eating out and sometimes, if we have time, we go to a spa hotel for a swim and a massage. It's a great way to end a perfect weekend.'

## INSIDE THE

*The White House, 1600 Pennsylvania Avenue, Washington DC, is the most famous address in America. It is where the United States President works, but it is also his private home where he lives with his family. He has children's birthday parties, holiday dinners, and weddings in this world-famous building.*

### THE BUILDING

First built in 1800, the White House is where the President of the United States governs a country of 50 states and 304 million people.

He lives with his family on the second and third floors. There are 16 bedrooms, a living room, a kitchen, and a dining room. Special guests stay in the Queen's Bedroom or the Lincoln Bedroom.

In the West Wing are the staff offices. The President's own office, the Oval Office, is also there. It has three large windows behind the President's desk, and there is a fireplace at the other end.

Each new president chooses new curtains, new furniture, and a special new carpet. There are pictures of old presidents on the wall, and there is the famous desk, a gift from the British Queen Victoria in 1880.

# WHITE HOUSE

## THE WHITE HOUSE DAY BY DAY

The White House is open to visitors. It is free. About 6,000 people a day visit. The President meets special guests in the East Room, and he talks to journalists in the Press Room.

About 150 people work for the President in the West Wing and for the First Lady in the East Wing. Another 100 people look after the building day and night.

There are 132 rooms, 35 bathrooms, and five kitchens, all on six floors. There are three elevators\*. The State Dining Room is big enough for 140 guests.

Outside, gardeners grow fruit and vegetables. There is also a tennis court, a jogging track, and a swimming pool. Inside there is a movie theater\*, a billiard room, a bowling alley, and a library. As former President Reagan said,

*'The White House is like an eight-star hotel!'*

# A PASSION FOR SUCCESS

Nicola Benedetti is a world-famous violinist. She was the BBC Young Musician of the Year in 2004 when she was 16. She lives in Chiswick, west London, near her sister, Stephanie, who is also a violinist. Their father, Gio Benedetti, is a businessman. He lives with his wife, Francesca, in Scotland.

# Nicola Benedetti

A PASSION FOR

# Music

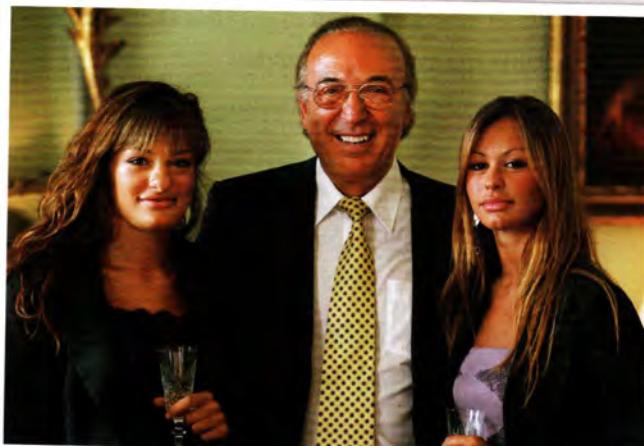

‘When I was young, music wasn’t very important in our house. Then, when I was four, I started playing the violin. In my first lesson, I was so happy, I couldn’t stop crying.

My dad, Gio, was always busy. He was very hard-working. His parents were poor, so he wanted to give me and my sister everything. I like hard work too, and I know what I want – if someone says to me “You can’t do that”, I think “Oh yes I can!” That’s very like my dad.

But my dad’s a businessman, and I’m an artist. Money is very important to him, but for me, success isn’t the same as earning lots of money. He likes the music I play, but he doesn’t like classical music very much. I teach him about music, and he tells me about business.

My sister and I are very close. We sometimes play together – not professionally, but at family occasions like weddings and at Christmas.

I live for my work. I never want to stop. Music is my life.’

# Gio Benedetti

A PASSION FOR

# Business

‘I was born in a small village near Lucca in Italy. We were poor but happy. When I was ten, I came to Scotland to live with my uncle. It was very difficult.

When I was 16, there was a beautiful car – a Jaguar – in the shops but I couldn’t afford it. It was too expensive. So I started a business to make money – a dry-cleaning business. Soon there were 15 shops. By the time I was 19, I could afford the Jaguar. That was a very good day!

Nicola was always independent, like me. She could play the violin when she was four. Now she plays concerts all over the world. I am so proud of her. She practises for seven hours a day. Scotland is so proud of her. Everybody knows her now.

I can’t play any musical instruments. I like country and western music, but not classical. Nicola knows what she wants. She has a passion to succeed, like me, and she works very hard to get it. When she plays the violin, she’s passionate – that’s the Italian in her. When I see her play, I often cry. I can’t help it. I’m very sentimental.’

flight and the first man on the moon. In the 20th century, progress in aviation was phenomenal.

On July 25 1909, a Frenchman, Louis Blériot, became the first man to complete an air journey when he flew from Calais, in the north of France, to Dover, in the south of England. Blériot's flight amazed the whole of Europe. People thought that such a journey was impossible.

Louis Blériot

## THE FLIGHT

The flight wasn't easy. Mr Blériot, a 37-year-old engineer, couldn't swim, so he didn't want to come down in the Channel. He couldn't walk very well because of an injury to his leg, and he didn't have a compass.

On the morning of the 25th, he took off at 4.30 from a field at the edge of a cliff. It took 37 minutes to complete the 22-mile journey. The plane flew at 40 miles per hour at an altitude of 250 feet.

Everything went well until he flew into fog. 'I continued flying for ten minutes, but I couldn't see the land, only the sky and the sea. It was the most dangerous part of the flight. I wasn't worried about the machine. It flew beautifully. Finally, I saw the land,' he told reporters.

## LANDING IN ENGLAND

When he got to Dover, he saw a French journalist waving a flag. He cut the engine at 60 feet and crashed into a field.

The news quickly went round the world, and Mr Blériot's flight was celebrated in London and Paris. He won a prize of £1,000.

'The crossing was the start of modern aviation,' said Louis Blériot, the grandson of the pioneer.

On 16 July 1969, at 9.30 in the morning, Apollo 11 lifted off from the Kennedy Space Center in Florida. There were three astronauts – Neil Armstrong, Buzz Aldrin, and Michael Collins. The enormous rocket took three days to complete the 250,000 miles to the moon, travelling at six miles per second (21,600 miles an hour). Then it circled the moon 30 times, giving time to prepare for the landing.

Neil Armstrong Michael Collins Buzz Aldrin

## THE LUNAR LANDING

The lunar module landed on a part of the moon called the Sea of Tranquillity at 8.17 in the evening on 20 July.

It was time for the astronauts to rest, but they were too excited to sleep. At 3.00 in the morning on July 21, Neil Armstrong became the first man to walk on the moon. Six hundred million people all over the world watched on TV. As Armstrong took his first steps, he said the famous words, 'That's one small step for man, one giant leap for mankind.'

## WALKING ON THE MOON

Armstrong and Aldrin spent two and a half hours walking on the moon. They collected samples and set up scientific equipment. Finally, they put up a US flag. After 22 hours on the moon, the lunar module lifted off and flew up to join the rocket that took them back to Earth. They left an inscription:

HERE MEN FROM THE PLANET EARTH FIRST SET FOOT UPON THE MOON, JULY 1969. WE CAME IN PEACE FOR ALL MANKIND.

This flight was the beginning of man's exploration of space.

# The History of the Sandwich

## 1st Century BC

A famous rabbi, Hillel the Elder, made the first recorded sandwich. He mixed some nuts, apples, and spices with some wine, and put it between two matzohs (pieces of flat bread).

## 6th – 16th Century

People used bread as plates. They put meat and vegetables onto some bread and ate with their fingers. These were the first open sandwiches, and they called them 'trenchers'.

## 18th Century

The name 'sandwich' first appeared. An Englishman, John Montague (1718–1792), the Fourth Earl of \*Sandwich, liked to eat and gamble at London's Beef Steak Club. Sometimes he stayed 24 hours at the gaming table. He was hungry, but he didn't want to stop gambling, so the chefs from the club put some beef between two pieces of bread, and he ate while he gambled. This new meal became very fashionable with other men in the club, and they called it the 'sandwich' after the Earl.

\* Sandwich is a town in the South of England.

## 19th Century

An American writer, Eliza Leslie, introduced sandwiches to America. In 1837, she wrote a cookbook, 'Directions for Cookery'. In it she had a recipe for ham sandwiches: 'Cut some thin slices of bread and ham. Butter the bread and put the ham between two slices with some mustard. Eat for lunch or supper.' Americans loved them.

## 20th – 21st Century

Sandwiches became very popular indeed. They were easy to make and they were a wonderful, cheap, portable meal for workers and school children.

# HIGH-SPEED TOKYO

Tokyo has a population of 35 million people. It is the largest city in the world. It is also one of the most exciting. Everything moves fast here. It has one of the biggest and busiest railway systems in the world. Every day, 11 million commuters use it to get to and from work. People earn the highest salaries, and they spend the most money. They wear the latest fashions, and have the most up-to-date phones. It is the world's most expensive city.

### Old and new

Tokyo was originally a small fishing village called Edo. The name changed in 1868 when the Emperor moved there.

The architecture is very modern. There are not many old buildings because of the 1923 earthquake and the Second World War. But traditional Japan is always near, with many Shinto shrines and public baths around the city.

### Visiting Tokyo

Tokyo is on the east coast of Japan. The summers are hot and humid. The most beautiful time of year is spring, when the famous cherry blossom is on the trees.

The city is huge, but it is one of the safest cities in the world.

Japan is mysterious. It is difficult for foreigners to understand.

# MUMBAI

## A CITY OF EXTREMES

Mumbai is India's largest city with a population of 22.8 million. It is also India's most important commercial centre. Mumbai was part of the British Empire until independence in 1947. It was called Bombay until 1995, when it was renamed Mumbai after a Hindu goddess, Mumba Devi.

### Rich and poor

Mumbai is both old and modern, rich and poor. The streets are full of people doing business, selling snacks and clothes, or just living there.

Money is everywhere in modern Mumbai. India's most important businesses and banks have their headquarters there. The Bollywood film industry produces more films than Hollywood in Los Angeles.

Modern skyscrapers and new shopping malls are right next to slums. Sixty percent of the population live with no running water, no electricity, and no sanitation.

### Visiting Mumbai

Mumbai is on the west coast. The wet season is from June to September. Between November and February it is a little cooler and drier.

The city is best at sunrise and sunset, when the colour of the stone buildings changes from gold to orange and pink. The cheapest and easiest transport is by bus. Trains can be crowded and dangerous.

Because of its poverty, Mumbai can be a difficult place to live, but the experience is unique.

# MULTICULTURAL MEXICO CITY

Mexico City has a population of 23.4 million. It is the largest city in both North and South America. The Aztecs called it Tenochtitlan, and it was already an important city when the Spanish invaded in 1521. The country became independent in 1821.

### Indian and European

Mexico City offers a variety of experiences. In the Zócalo, the main square, you can see the Spanish cathedral, an Aztec temple, and a modern skyscraper. The city has a lot of museums and theatres. European squares and colonial houses sit next to busy markets selling Mexican food and Indian handicrafts.

It is the richest city in Latin America. There are elegant shops selling high-class goods, expensive restaurants, and supercool bars. There are also many people who live in poor houses.

### Visiting Mexico City

Mexico City is in a valley in the south central area of the country. It is surrounded by mountains.

The rainy season is from June to October. The warmest months are April and May. It has the largest and cheapest subway system in Latin America. Traffic moves so slowly that it is often faster to walk. The air quality is not good, and visitors need to be careful, but the city offers a rich cultural mix.

# LIVING

A science laboratory 360 kilometres from Earth? A preparation for a flight to Mars? A cathedral in the sky? The International Space Station, or ISS, is all of these.

At this very moment, the ISS is orbiting the Earth at a distance of 360 kilometres. It is flying at 28,000 km/hr. It goes round the Earth 16 times a day. It took more than \$100 billion and 14 years to develop. It is the most expensive thing ever built.

### The station

The first part of the station went into space in 1998. Astronauts started to live on it in November 2000. There are usually three astronauts on board, and they stay for about six months at a time. Over the years there have been over 200 visitors from 15 different countries. Supply ships arrive about eight times a year.

### Aims

Space agencies in the United States, Russia, Japan, Canada, and Europe are working together. They are using the zero gravity of space to do experiments in biology, physics, and astronomy. They are learning about living in space over a long time, and the effects of this on the human body. The astronauts are growing plants to make oxygen. They are studying the Earth's weather and geography. And they are looking at planets and stars to understand the origin of the universe.

# IN SPACE

## An astronaut's day

Astronauts work for ten hours a day during the week and five hours on Saturday. The rest of the time they are free.

They wake up at 6.00 and have breakfast. There is a meeting, and they decide the day's plans. They have an hour for lunch, then more work till dinner at 7.00. Lights out is at 9.30. They do two hours' exercise every day, because weightlessness affects the body's muscles and bones.

## Food

There isn't a real kitchen, but there is a kitchen table. All food comes in tins or packets. There is fresh fruit only when a supply ship comes.

Astronauts eat with a spoon. It is a good idea to have food with a sauce so that it stays on the spoon and doesn't float away! They like spicy food because in space the sense of taste isn't very strong.

## Personal lives

They have their own sleeping compartment. They sleep in bags attached to the wall. Because there is no up or down in space, they sleep 'standing up'. They have their own clothes and books and laptops. The temperature is always 72°F, so astronauts usually wear shorts and a T-shirt.

There isn't a shower, but there are two toilets. In their free time they send emails home, read, and play games. But what they like to do best is look out of the windows at Earth below.

## Future of the ISS

The ISS is the first of many space stations. There isn't a date yet for a manned trip to Mars, but space agencies are already talking about it. One thing is sure – at some time in the 21st century it will certainly happen.

### Project

What popular traditional songs are there in your country? Choose your favourite. Does it tell a story? Tell the class.

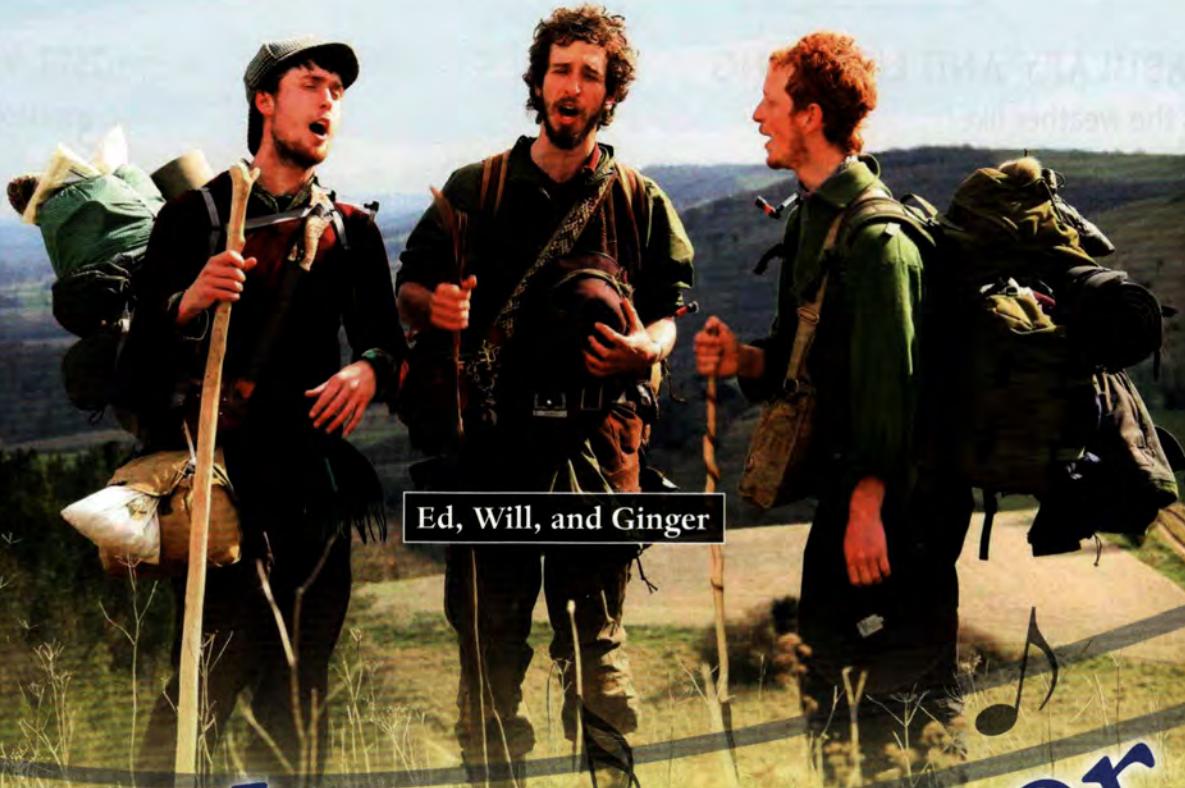

It's a sunny Saturday afternoon in the small market town of Petersfield. Three young men arrive in the High Street with backpacks and walking sticks. They're wearing green and brown jackets, hats, and boots. Is it Robin Hood with his Merry Men? Passers-by are interested.

Who are these young people? What are they going to do? One of the young men puts his hat down on the pavement, and puts up a sign:

'We're walking to Wales - singing for our supper'

And they start singing. People stop to listen and smile. They are singing in perfect harmony, not pop songs, but traditional folk songs. The hat is soon full, and the people of Petersfield look and feel happier.

Ed, Will, and Ginger

# for their supper

## Meet the singers

Ed, 27, his brother Ginger, 25, and their friend Will, 26, are three young men who decided to leave their comfortable homes without any money or mobile phones and walk round the whole of Britain, in all seasons, in good and bad weather. They are singing for their supper and sleeping anywhere they can find, in woods, fields, and sometimes houses – when people offer hospitality.

Ed and Ginger started singing with Will when they were all at school together in Canterbury. After school, Ed went to study art in Paris and London and became an artist; Ginger became a gardener, and Will a bookseller. They were still friends and liked walking together, but weren't very happy with their lives. One day they had an idea. 'Why don't we start walking and just not stop?' And so they did.

They love the freedom and the simple life. Walking and singing are simple human activities in a busy, stressful world. They sing in streets, pubs, and market squares. Sometimes people they meet teach them new songs.

## Why are they doing this?

'People ask us why we're doing this, and we don't really have an answer,' says Will. 'It's a great life and we're learning so much on our journey.'

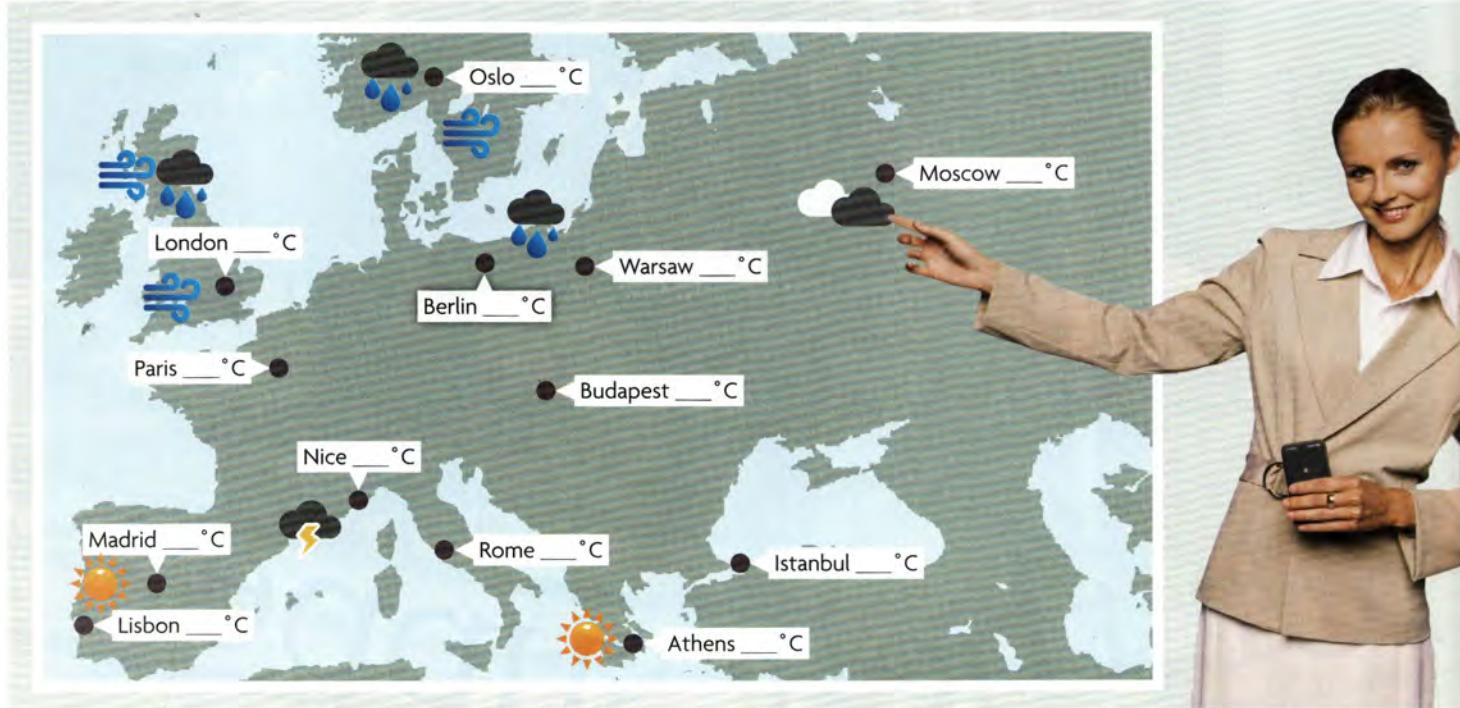

Their families worry about their futures, but they don't. Last year they started a website, [www.awalkaroundsbritain.com](http://www.awalkaroundsbritain.com), and they made a CD of 16 of their songs. This year they are going to make podcasts to tell more stories of their walks, and they're going to make another CD. They also plan to start a charity to help traditional country activities. The future looks good.

## The world's biggest

### Some facts

The festival covers 1,000 acres of farmland in south-west England. It takes place in June and lasts four days.

About 700 acts play on over 80 stages. There is continual music from 9 o'clock in the morning until 6 o'clock the next morning.

1,500 people attended the first festival in September 1970. They paid £1 a ticket. Last year 190,000 people attended. They paid £200 for a ticket.

Hundreds of famous names have performed at Glastonbury: singers such as Paul McCartney, Bruce Springsteen, Robbie Williams, Jay Z, and Amy Winehouse, and bands such as REM, Radiohead, Coldplay, and Arctic Monkeys.

In 2009, news of Michael Jackson's death hit in the middle of the festival. Immediately T-shirts with the slogan 'I was at Glastonbury when Michael Jackson died' were on sale.

The festival is famous for its rain! In 1997, 1998, and 2005 it rained every day, and the festival-goers danced in the mud.

# Glastonbury!

## open air music festival

### Some experiences

**Marina M, Scotland** ‘My first Glastonbury was 2005. The year of rain and MUD! We took off our shoes and danced in it up to our knees! I loved it! I’ve now been six times! It’s always great fun, even though you don’t sleep much! This year’s festival was fantastic – I didn’t want to go home. A definite highlight for me was an Icelandic band called Sigur Ros. I’ve never heard of them, but I loved their music. And well done for all the toilets this year! Much better!’

**Dave Chow, London** ‘Well, I don’t know what to say – my first time, and it was the most amazing experience! I’m now sitting at work thinking about the best four days of my life. We didn’t see any rubbish bands, and the DJs rocked all night. We saw the sun rise at 5.15 on Sunday morning – an amazing experience. Only one complaint – there were so many mobile phones. Why? I thought Glasto was about getting away from it all.’

**Len Ferris, Gloucester** ‘I’ve taken my kids to Glastonbury twice. It really is an education for kids. The atmosphere is amazing. I think this is because of the mix of people of all ages. It’s great to see them – from babies, toddlers, and teenagers, to people my parents’ age and older. Everyone gets on so well. On Saturday night we watched Radiohead with my 11-year-old son, and the crowd moved back so he could see better. We loved everything.’

**Izzi, Christchurch, New Zealand** ‘This was my first year at Glastonbury. I travelled 10,000 miles to be there. I’ve been to other festivals in Australia and Europe. I went to the Sonar Festival in Barcelona two years ago – it was brilliant, but I’ve always wanted to come to Glastonbury. It was amazing. Radiohead was the best thing I have ever seen at a festival ever, and I’m going to come next year if I can. Long live Glastonbury!!’

**4** Read four people’s experiences of Glastonbury very quickly. Answer the questions.

- 1 Who has been there often?
- 2 Who has been only once?
- 3 Which people loved it all?
- 4 Who had one complaint. What about?
- 5 Who took his child?
- 6 Who travelled a long way to get there?

**5** Read the experiences again. Are these statements true (✓) or false (✗)? Correct the false ones.

- 1 **Marina** slept in her tent when it rained.
- 2 She thought the Icelandic band was very good and the toilets were cleaner.
- 3 **Dave** stayed up all night listening to the music.
- 4 He had no complaints. He loved everything and everybody.
- 5 **Len** loves the festival because it brings people of all ages together.
- 6 His son couldn’t see the stage because of the crowds.
- 7 **Izzi** has never been to a music festival before.
- 8 She travelled from Barcelona to be there.

## UNIT 7 TELLING A STORY – Using time expressions

1 Work with a partner. Do you know anything about Christopher Columbus? Look at the pictures and share what you know.

# CHRISTOPHER COLUMBUS

"In 1492 Columbus sailed the ocean blue!"

Christopher Columbus was a great explorer. For a long time people believed that he discovered America. However, we now know that

 (3) \_\_\_\_\_

Columbus wanted to be rich and famous. For eight years  
 (4) \_\_\_\_\_

They wanted to go home. 'Give me just three more days,' said Columbus. Two days later, they saw land. It was an island.

(6) \_\_\_\_\_

Next, they sailed to Cuba. Columbus thought he was in China or Japan. The world was a lot bigger than he thought.

Then, unfortunately, near Haiti the *Santa María* hit rocks, so Columbus returned to Spain on the *Niña*, leaving 40 sailors on the island to look for gold. (7) \_\_\_\_\_

### FINAL YEARS

Between 1492 and 1504 Columbus made three more voyages across the Atlantic. He took his 13-year-old son Ferdinand with him on the last voyage. He became famous, but not very rich. In the last years of his life, (8) \_\_\_\_\_.

Last Weekend |

from: Sally.bates4@chatchat.co.uk  
to: dunk.dude@garglemail.com  
date: Mon 3 May

Hi Duncan,

Thanks for last weekend. It was really great. The meal was fantastic – didn't know you could cook! Just kidding ;-) Email me the recipe. I'd like to make cottage pie for my friends here – they're always starving hungry!

The journey was sooooooooooooo long and boring – the coach stopped at a motorway service station where I had a disgusting cheese sandwich and a cold coffee. Yuk!

I slept for the rest of the journey – not surprising really – we did dance ALL night! House Rules was a brilliant club, but going to bed at 4 and getting up at 8 to go back to Edinburgh was awful! You're a star for getting up early to take me to the coach station!

Everyone here is worried about the exams. They start next week, like yours. It was good to forget about them for the weekend! I miss you a lot. Come and visit me soon – it's cheap on the coach.

Can't wait to see you again. Email me, or send a text.

Lots of love  
Sal xxxx

**THANK YOU**

from: Sally.bates4@chatchat.co.uk  
 to: owenandowen@gmail.uk  
 date: Mon 21 April

Dear Mr and Mrs Owen,

I'd like to thank you so much for having me to stay last weekend. I had a really lovely time, and I was so pleased to meet you at last. The meal you made was delicious. Duncan told me that his mother was an excellent cook – and he was right. I also enjoyed our walk – the countryside and woods near your house are beautiful.

The journey back was long and I slept for most of the way. It was very kind of you to drive me to the station so early in the morning. I was very grateful!

It's good to be back at university. I have a lot of work at the moment before the exams start. I know Duncan has exams too, so we can't see each other until the end of June – we are just too busy!

I'd love to visit again in the summer holidays with Duncan.

Thank you again for everything.

Best wishes,  
 Sally

## My capital city: LONDON

London has a population of about 7,000,000. It lies on the River Thames, (1) \_\_\_\_\_ nearly 2,000 years ago. From about 1800 until World War Two, London was the biggest city in the world, but now there are many cities (2) \_\_\_\_\_.

London is famous for many things. Tourists come from all over the world to visit its historic buildings, such as Buckingham Palace, (3) \_\_\_\_\_, and the Houses of Parliament, (4) \_\_\_\_\_ and hear the famous clock, Big Ben. They also come to visit its theatres, its museums, and its many shops, such as Harrods, (5) \_\_\_\_\_. And of course they want to ride on the London Eye next to the river!

Like many big cities, London has problems with traffic and pollution. Over 1,000,000 people a day use the London Underground. People (6) \_\_\_\_\_ into the city centre pay the Congestion Charge, (7) \_\_\_\_\_, but there are still too many cars on the streets. The air isn't clean, but it is cleaner than it was 100 years ago.

For me, the best thing about London is the parks. There are five in the city centre. But my children's favourite place is Hamleys, (8) \_\_\_\_\_ toy shop in the world!

4 Write four paragraphs about your capital city. Begin each paragraph in the same way as the text about London. Answer the questions below. Write 100–150 words.

**Paragraph 1** How big is it? Where is it?

**Paragraph 2** What is it famous for?

**Paragraph 3** Does it have any problems?

**Paragraph 4** What do you like best about it?

- 1 *But, however, and although* have similar meanings. Notice how they join these sentences.

- 2 I love travel. **However**, I don't like flying – I prefer the train.
- 3 **Although** I love travel, I don't like flying – I prefer the train.

Which two sentences are the most formal?

- 2 Join each sentence in three different ways, with *but*, *However*, and *although*.

- 1 I like Peter. I don't love him.
  - 2 My flat has a balcony. It doesn't have a garden.
  - 3 My brother's older than me. He's smaller than me.
- 3 Complete the text with these linking words.

but    so    because    however    although    when

## My Brothers

I have twin brothers, Nick and Chris. They're 20 years old and (1) \_\_\_\_\_ they're twins, they are not identical twins (2) \_\_\_\_\_ they are different in many ways.

For a start they don't look alike. Nick's got blonde hair and blue eyes, and he's quite tall. (3) \_\_\_\_\_, Chris isn't very tall and he's got red hair and brown eyes. Also, they never wear the same clothes. This is (4) \_\_\_\_\_ our mother always dressed them alike (5) \_\_\_\_\_ they were children and they hated it.

Something else that they don't like is (6) \_\_\_\_\_ people talk about 'the twins', not 'Nick' and 'Chris'. They want to be individuals. (7) \_\_\_\_\_, they do have some interests in common. For example, they love being outdoors (8) \_\_\_\_\_ they often go for long walks together in the countryside. Also, they both have great computer skills. In fact, they're both studying IT at university, (9) \_\_\_\_\_ in different towns. Another thing is that they both hate football, which is very unusual for boys of their age.

Finally, I must say that I love my brothers very much. (10) \_\_\_\_\_ they have different personalities, they are both lovely brothers. Nick is quiet and quite shy, (11) \_\_\_\_\_ Chris loves going to parties and telling jokes. (12) \_\_\_\_\_, both of them are always very kind to me, their little sister. I can tell them all my problems.

- 4 Compare two people in your family, or two friends. Try to use some of the highlighted expressions. Include:

## T 3.9 Dr Susan Hall – The work-life balance

Of course, work is important for us all, it gives us money to live, it gives structure to our everyday lives. But, for a happy, balanced life, it's also important to 'play' sometimes. It's important to find time to relax with friends and family. It's not good to think about work all the time. I know from my work as a doctor that it's sometimes difficult not to take your work problems home – but if you take your problems home you never relax, and it's difficult for your family, and bad for your health. Don't live to work, work to live! Life is more than work.

#### T 4.9 Describing your home

##### My new flat

My new flat is near the centre of town, so I often walk to work. It's not very big, but it's very comfortable! There's just one bedroom, a living room, and quite a big kitchen with a table in the centre. This is good because I love cooking, and I can invite my friends to dinner. The living room has one big window. It faces south, so it's always very sunny. I have two comfortable, old armchairs, but I don't have a sofa because the room is quite small.

There isn't a garden, but there's a small balcony in my bedroom. I want to put a chair there so I can sit in the sun on summer evenings.

I love my new flat for many reasons: the big kitchen, the sunny living room, but most of all I love it because it's my first home!

- B** Good morning. What beautiful tuna! How long did it take to catch them?  
**F** Oh, about two hours.
- B** Only two hours! Amazing! Why didn't you fish for longer and catch more?  
**F** I didn't want to fish for longer. With this I have enough fish for my family.
- B** But what do you do with the rest of your day? Aren't you bored?  
**F** I'm never bored. I get up late, play with my children, watch football, and take a siesta with my wife. Sometimes in the evenings, I walk to the village to see my friends, play the guitar, and sing some songs.
- B** Really? That's all you do? Look, I am a very successful businessman. I went to Harvard University and I studied business. I can help you. Fish for four hours every day and sell the extra fish you catch ...  
**F** But ...  
**B** ... Then, you can buy a bigger boat, catch more, and earn more money.  
**F** But ...  
**B** ... Then buy a second boat, a third, and so on, until you have a big fleet of fishing boats.  
**F** But ...  
**B** ... and you can export the fish, and leave this village, and move to Mexico City, or LA or New York, and open a fishing business.  
**F** OK, OK, but how long will all this take?  
**B** Er- let me think -er probably about 15 to 20 years.  
**F** 15 to 20 years! And then what, Señor?  
**B** Why, that's the exciting part! You can sell your business and become very rich, a millionaire.  
**F** A millionaire? Really? But what do I do with all the money?  
**B** Well, let me think. Erm- I know, you can stop work, and -er, move to a lovely, old fishing village where you can sleep late, play with your grandchildren, watch football, take a siesta with your wife, and walk to the village in the evenings where you can play the guitar, and sing with your friends all you want.

**T 9.4**

Well, I like both London and Paris. But they are very different cities. Take transport for example. The Metro is cheaper and easier to use than the Underground. And the weather ... well, Paris is certainly hotter than London. And Paris, in fact, is wetter than London; but in London there are more wet days. What about the buildings? Well, ... people say that the architecture in Paris is more beautiful, but the buildings in London are more interesting. And living in the two cities? Well ... life is faster in London. And the people? ... Mmm, Londoners are generally more polite than Parisians. People in London work harder, and they earn more. In Paris, having a good time is more important.

- C** Hi!  
**I** Now, you're French, but you live in London. Is that right?  
**C** Yes, that's right.  
**I** And are you ... on your own here in London?  
**C** No, no! I'm here with my husband, André.  
**I** Ah, OK. Do you work in London?  
**C** Yes, I do. I've got a good job. I work in a bank.  
**I** And ... Where do you live in London? Have you got a flat?  
**C** Yes. We've got a nice flat in Camden.  
**I** Oh, great! Has André got a job?  
**C** Yes, he has. He's got a shop in Camden. He sells French cheese!  
**I** Wow, that's good! And tell me, have you got a car here?  
**C** No, I haven't got a car. I go everywhere on public transport. It's much easier.  
**I** OK! Thank you very much! I hope you enjoy your stay here!

**T 9.7**

- 1** We've got a nice flat.  
**2** I've got a French husband.  
**3** He's got a business in Camden.  
**4** Have you got a lot of friends?  
**5** How many brothers and sisters have you got?  
**6** I haven't got any brothers. I've got a sister called Natalie.  
**7** Natalie's got a big house.  
**8** You've got a good English accent.

**T 9.8 Camden**

It's got the largest street market in the UK. The market's busiest at the weekend. The food is the cheapest in north London. It's got the most amazing clothes. The Electric Ballroom is the oldest nightclub in Camden. Proud is one of the coolest clubs in Camden.

**T 9.9 It's the biggest!**

- 1** The tallest building in London is Canary Wharf. It's 235 metres.  
**2** The most expensive hotel is the Lanesborough. It costs £7,000 per night!  
**3** The biggest park in central London is Hyde Park. It's 142 hectares.  
**4** The most popular tourist attraction is the London Eye. It has 10,000 visitors a day.  
**5** The most famous building is Buckingham Palace. Everyone knows who lives there.  
**6** The best restaurant for spotting celebrities is *The Ivy*. They all go there.

**T 9.10**

A megacity is a city with more than ten million inhabitants.

The largest megacity is in fact Tokyo. The next biggest is Mexico City. Third is Mumbai. Fourth is New York, with about 22 million people. And last, the smallest is Shanghai, which has about 18.4 million.

Some time in 2008, for the first time in the history of the world, more people on earth lived in cities than in rural areas.

**T 9.11****Makiko from Tokyo**

The first thing to say about Tokyo is that it is very safe. Women can walk everywhere anytime day or night. Little children walk to school. You can leave something on the table in a restaurant while you go out for a minute and nobody will take it.

Tokyo is also very clean, and it is very easy to travel around. All the trains and buses run on time.

Personally, my favourite time of year is spring, when it's dry and the cherry blossom is out.

Tokyo is a very exciting city, because there are always new things to do, new places to go, new things to eat. It changes very quickly!

**Vimahl from Mumbai**

I have two strong impressions of Mumbai. First, it is a city that is so full of activity! It is busy busy busy all day long and all night long! It's a city that doesn't sleep much. The day begins early because it is so hot. It's a noisy place. There are cars going beep beep, auto rickshaws by the thousand, fast trains rushing past, vendors shouting and trying to get you to buy their food, their drinks, their clothes. And people, people everywhere trying to get to work.

The second thing to say is that the people are very, very enthusiastic. Life isn't easy in Mumbai for a lot of people, but we really work hard and we really want to do our best. Every new day brings new possibilities! The future is exciting for us!

**Lourdes from Mexico City**

There are three things I like about living in Mexico City. First, the weather. It is warm and sunny most of the year. The second is the fresh fruit and vegetables – the markets are wonderful, the colours and smells are great! And the third is that I'm never bored because there is so much to see and do! We have museums, theatres, art exhibitions, parks, restaurants, bars ... everything!

My favourite time of year in Mexico City is the end of December, from the 16th to the 31st. The city is full of lights, there are parties everywhere, and we eat and drink and give presents. Everyone's really happy! I love it!

**T 9.12 Directions**

Go along George Street, past the Bristol Hotel on your left, and over the bridge. At the roundabout turn left and go up Park Avenue. Go round the corner, through the wood, and down the hill. Then go under the railway bridge and you are on the A312 to Dorchester.

- 1 Go along George Street, past the hotel and over the River Sherwell. Go straight over the roundabout, and it's in front of you on the hill to your left.
- 2 Go straight past the hotel and over the bridge until you get to a roundabout. At the roundabout follow signs to the town centre. Go past a petrol station on your left, over a pedestrian crossing, and past a set of traffic lights. At the roundabout turn right. You're in ... Street.
- 3 Go over the bridge, the River Sherwell, and turn right into the town centre. Go straight on, past the traffic lights, and over a roundabout. When you are in the square, it's on the left-hand side, next to the museum, opposite the Town Hall.

I What do you do when you aren't working?  
S Well, I spend a lot of time just looking down at you on Earth! And I think how lucky I am to be here. And I wish that everyone could see the Earth from space. Maybe people would stop fighting if they could see how beautiful our planet is.

### T 11.8 Song: Ed, Will, and Ginger – Oats and beans

Oats and beans and barley grow  
As you and I and everyone knows,  
Oats and beans and barley grows  
As you and I and everyone knows,  
A-waiting for a partner.  
  
First the farmer sows his seeds,  
Then he stands and takes his ease,  
Stamps his feet and claps his hands  
And turns around to view his lands  
A-waiting for a partner  
  
Now you're married you must obey,  
Must be true in all you say,  
Must be kind and must be good  
And help your wife to chop the wood,  
A-waiting for a partner  
  
Oats and beans and barley grow  
As you and I and everyone knows,  
Oats and beans and barley grows  
As you and I and everyone knows,  
A-waiting for a partner.

### T 11.9 What's the weather like?

**Presenter:** Here's Fiona with the weather for Europe for the next 24 hours.

**Fiona:** Hello there.

Here's the forecast for Europe today. At the moment there's some wet and windy weather over the UK and Scandinavia, and this is going to move south and east over Poland and Germany. Temperatures in Berlin and Warsaw are now about 20°C but it's cooler in London, 19°C, and cooler still in Oslo, 17°C. To the south it's a bit warmer, in Budapest, 23°C, but to the east, cool and cloudy in Moscow, where the temperature is a welcome 15°C after all that extreme summer heat. Moving south it's getting warmer, 24°C in Rome, but it's going to be cloudy and showery across much of Italy and also over northern Turkey, with heavy rain in Istanbul and a temperature of 21°C. Most other Mediterranean countries are going to be warm and dry. Greece will be hot and sunny with a lot of late summer sunshine, 28°C in Athens and warmer still in Portugal and Spain with temperatures up to 32°C. France is going to be cool and cloudy in the north, 20°C in Paris, and hot and stormy in the south with a high of 29°C in Nice.

And that's your European weather for today. I'll be back at lunchtime with an update.

**Presenter:** Thank you Fiona, and now ...

**T 12.4** Getting ready to go!

**L = Lara M = Mel**

- L** Where's the list?  
**M** I've got it. OK, let's check through. Er - we've bought new backpacks, we did that a while ago.  
**L** They look quite big. I hope we can carry them.  
**M** No worries. I haven't finished packing mine yet. Have you?  
**L** Not yet, just one or two more things to go in. Oh, have you collected the euros from the bank?  
**M** Yup. I've just collected five hundred for you and five hundred for me.  
**L** All our savings. I hope it's enough!  
**M** No worries. We can stay with my aunt in London.  
**L** Have you emailed her yet?  
**M** Yeah, she's just emailed back. She's going to meet us at the airport when we fly in to London from Rome.  
**L** Fantastic. Hey, look, I've just found out the weather in Rome for next week. Hot and sunny!  
**M** Yeah, it's going to be so good. We're going to leave winter here, and arrive in the middle of summer in Europe.

**L** What about the tickets?

- M** I think we only need passports, but I've printed e-tickets just in case, but I haven't checked in online yet. You can only do that 24 hours before the flight.

**L** Oh Mel! I am so excited. I can't wait.

**T 12.5** Tense revision

**Lara** I'm really excited about my trip to Europe. I haven't travelled much outside Australia before. Just once, two years ago, I went on holiday to Bali with my family, but I've never been to Europe or the US. I often travel inside Australia. Last year I flew to Perth to visit my cousin, who lives there. It's a five-hour flight from Sydney, where I live. Australia's a big country! Also, I've been up to Cairns in the north three times. I learned to scuba dive there on the Great Barrier Reef.

We've just finished packing, and now we're waiting for the taxi to take us to the airport. I've never flown on a 747 before. It's a very long flight. It takes 20 hours to get to Rome. I'm going to watch films all the way. I can't wait!

**T 12.6** No, not yet!

- 1** A Have you checked your emails yet?  
**B** Yes, I've just checked them but there wasn't one from you.
- 2** A Have you done the shopping?  
**B** No, I haven't. I'm too tired to go out.
- 3** A Have you washed your hair?  
**B** Yes, I've just washed it.
- 4** A Have you cleaned the car yet?  
**B** Yes, I've just cleaned your car and mine!
- 5** A Mum, have you made the dinner yet?  
**B** Yes, dinner's ready. Go and wash your hands.
- 6** A Have you done the washing-up yet?  
**B** No. I did it last night. It's your turn!
- 7** A Have you met the new student yet?  
**B** Yes, I have. I met her on the way to school this morning.
- 8** A Have you finished the exercise?  
**B** Yes, I've just finished it. Thank goodness!

**T 12.7** Song: Turin Brakes – *They can't buy the sunshine*
**T 12.8**
**1 Elsa from Birmingham, England**

OK, I've been to Glastonbury five times now. My highlights this year were: pear cider to drink, and the American diner van with the best sausages and chips ever. However, I was very disappointed with the music on Saturday night. DJs played House music all night. I love House but this was rubbish. I got really bored, so I went back to my tent to finish a bottle of pear cider with friends!

**2 Daniel Evans from Wales**

Last Wednesday at 2.30 in the afternoon, I decided that I wanted to go to Glastonbury. I was lucky! I found a ticket on the Glastonbury message boards. I'm so glad I went. The music was brilliant. Sometimes it took a long time to get to the stages. The queues were long but always friendly. In the busy "real world"

it's difficult to have good conversations with people. At Glastonbury you can do this. It's a great festival, with a great crowd of people. What more could you want? 100,000 friendly people. I wish the rest of life was the same! Four days out of 365 is a good start!

**T 12.9** Take and get

- 1** A Ugh! It's really hot in here.  
**B** Why don't you take off your jumper?
- 2** A Is your office near where you live?  
**B** No, it takes a long time to get to work.
- 3** A What are your work colleagues like?  
**B** Great! We all get on really well.
- 4** A How often are there exhibitions in the museum?  
**B** They take place regularly, every two months.
- 5** A Do you like learning English?
